PLACER COUNTY ASSOCIATION OF REALTORS® AMONG REALTORS® NATIONWIDE COMMEMORATING 50TH ANNIVERSARY OF FAIR HOUSING ACT

ROCKLIN, CA March 18, 2018– The Placer County Association of REALTORS® (PCAR) and leaders from the organizations will join REALTORS® across the country to commemorate the 50th Anniversary of the Fair Housing Act, one of our country's most significant laws guiding the real estate industry today.

"As we celebrate Fair Housing Month in April, it's particularly important this year as we are also commemorating the 50th anniversary of the Fair Housing Act," said **Kevin McDonald, President, PCAR**. "Fair housing makes us stronger, and as REALTORS®, we embrace our role being at the forefront of advancing fair housing and making a commitment to address fair housing issues."

All year long, members of PCAR will lead efforts to raise awareness of fair housing issues by reaffirming their commitment to uphold fair housing laws and offering equal professional service to all in their search for real property.

"The passage of the Fair Housing act represents a huge step toward ensuring that all Americans have a chance to live where they choose, but there's still much for REALTORS® and others in the real estate community to do," said Dean Anderson, CEO, PCAR.

President Lyndon B. Johnson signed the Fair Housing Act into law on April 11, 1968, noting that the right to fair housing "is now a part of the American way of life." The legislation now prohibits discrimination based on race, color, religion, sex, handicap, familial status, and national origin.
