CELEBRATE REAL ESTATE *Masters* CLUB

The Placer County Association of REALTORS® (PCAR) honors the 2020 Masters Club recipients and all of their incredible success in the real estate industry! These members have dedicated their careers to elevating the industry through their exceptional work and service to their clients. As the real estate world continues to navigate evolving COVID-19 protocols, the annual gala to recognize these exceptional members has been postponed until we can gather to celebrate.

"We look forward to a time in the very near future when we can get together and truly celebrate the incredible work of these remarkable REALTORS®," said Masters Club Co-Chair, Michele Colombo. "They have all worked so hard during this truly trying time and deserve all of the recognition we can give them."

With the significant state-wide mandates on events slated to change on June 15th, the Masters Club Committee is working to plan an event for Fall 2021.

"It is our goal to have a great plan to gather, safely, and celebrate, responsibly, before the end of the year," stated Masters Club Committee Co-Chair, Teena Budd. "These REALTORS® deserve to be recognized for their extraordinary efforts in their community and for their clients."

2021 marks the 46th year that PCAR has celebrated its prestigious and accomplished Masters Club. Members of Masters Club are REALTORS® who have met the previous year's sales and transaction qualifications set by the Masters Club committee. In 2020 REALTORS® were required to reach a total sales volume of \$5 million with at least 8 closed transactions or a total of 20 closed transactions.

Participants who qualify for Masters Club represent the top 10-15% of PCAR members. This year, 466 Masters Club members qualified and represented the top 13% of the REALTOR® membership which totaled 4,194 at the close of 2020. The Masters Club is comprised of the following classes: First year members (78), Continuing members with 2-4 years in the club (119), Life Members with 5-9 years in the club (132) and Outstanding Life Members with 10+ years in the club (153.)
